HackerRank + RYANAIR

Ryanair is Europe's largest airline group carrying 149 Million guests per annum on more than 2,500 daily flights to over 200 destinations in 40 countries.
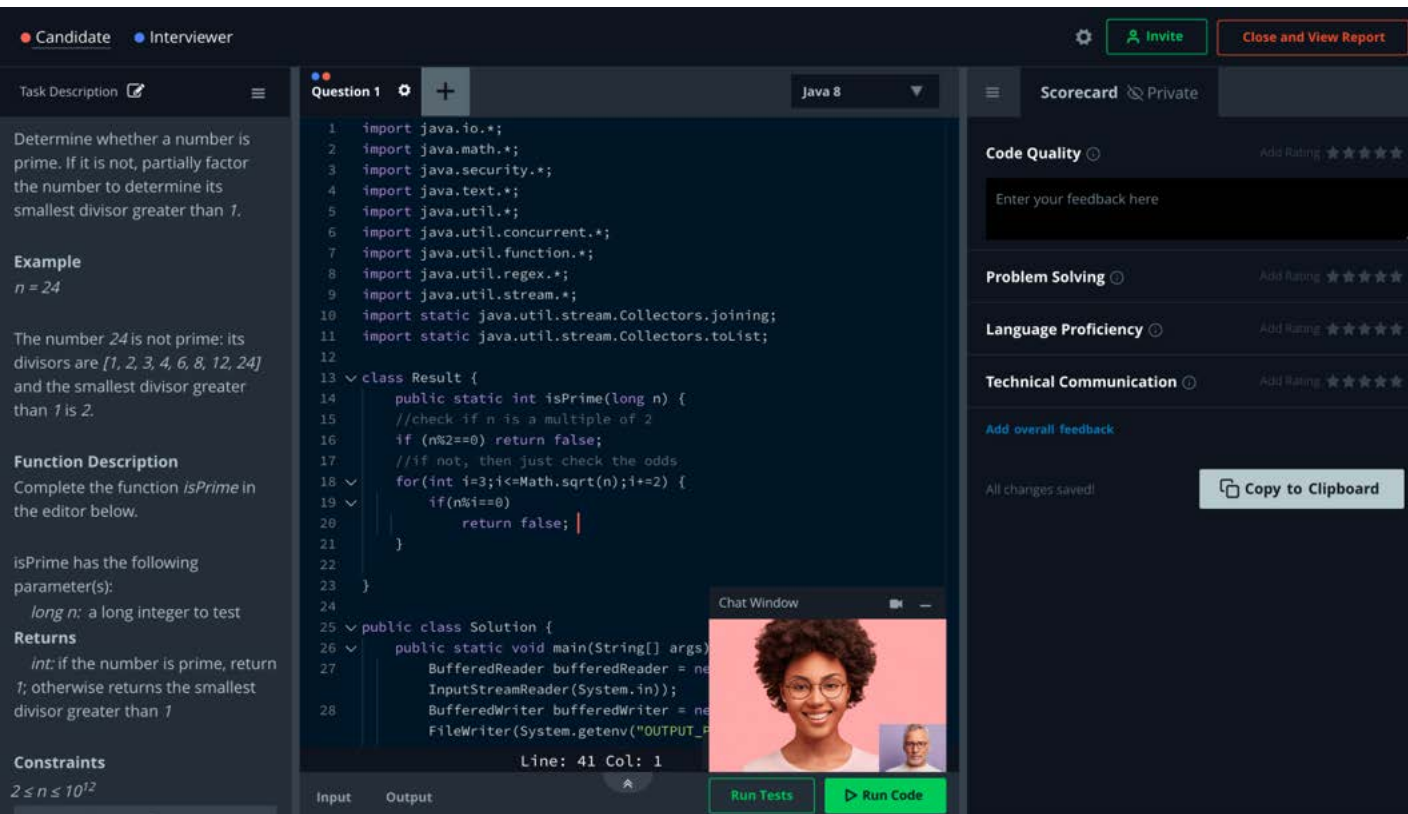

HackerRank▉

"

HackerRank has improved our recruiting process by allowing us to evaluate a candidate faster and more efficiently. Receiving a test result immediately means we can progress and give feedback to candidates instantly which helps build trust.

Michelle Clements
Talent Acquisition Manager

RYANAIR

HackerRank

At Ryanair, we love using CodePair.
CodePair allows our leaders to collaborate with developers in a real time pair programming session on potential business solutions and this gives our teams a good indication on candidates suitability.

RYANAIR

HackerRank

HackerRank has empowered our recruiting team with having more control and ownership over our hiring process. We can now lobby for candidates we feel are stronger than their resume shows as HackerRank's skills rubric scores back us up.
